

Doc Talks

An Informational Talk Series
Brought to you by Aurora Clinic

**Ever wonder what causes varicose veins? Curious about allergies?
Questioning the long term effects of high blood pressure?**

Learn about all these things and more at “Doc Talks– An Informational Talk Series” brought to you by the physicians at Aurora Clinic. Sessions will take place one Thursday per month from **5:45 to 6:30pm** at the Aurora Medical Park. Each 45 minute session is FREE and open to the public. No registration or sign-up is necessary; just listen and learn from the experts themselves.

2010 Schedule:

- July 8:** A Guide to Varicose Vein Treatment: The VNUS Closure Procedure
Presented by Dr. Jerry Smith, General Surgeon, Aurora Clinic
- August 5:** Urinary Incontinence: Signs, Symptoms, and Treatments
Presented by Dr. Jodi Henrikson, Ob/Gyn, Aurora Clinic
- Sept. 9:** Allergy Alert: What’s Really Causing Your Stuffy Nose?
Presented by Dr. Marsha Lange, Family Medicine, Aurora Clinic
- Oct. 7:** Under Pressure: What you need to know about High Blood Pressure
Presented by Dr. Matt Viscito, Family Medicine, Aurora Clinic
- Nov. 4:** Diabetes Awareness Month: Non-Insulin Therapy for Diabetes
Presented by Dr. Tunde Olumide, Internal Medicine, Aurora Clinic
- Dec. 2:** Colorectal Cancer: Signs, Symptoms, and Prevention
Presented by Dr. Mark Peterson, Family Medicine, Aurora Clinic

All sessions will be from **5:45 to 6:30pm** and take place in the conference room on 2nd floor of the Aurora Medical Park. Enter through the main doors and take a left to get to the elevator/stairs. After the elevator, go to the left and the conference room will be down the hall on your left.
